

Professional Decorating Consultations By . . .

In-Home Consultations . . .

Decorating a home is more than making it look pleasing to the eye. At A&W Furniture & Accents we will help you create a setting that is functional, comfortable, personal and aesthetically pleasing.

During your Decorating Consultation our decorators will help you:

Create an atmosphere that is stunning as well as livable.

Provide solutions for decorating problem areas.

Help you achieve your decorating goals while staying within your budget.

Coordinate furnishings & accents to fit your lifestyle.

Use professional planning to avoid surprises.

Our consultants will listen to your ideas and work with your personal vision to create an environment that is distinctly yours .

Professional Results . . .

"I was so pleased with the courteous help I received while redecorating my living room. My consultant at A&W worked with me every step of the way and created a unique & gorgeous room that has become my favorite!" ~Ashley W.

Decorating for your Business

We can create an environment for your business, restaurant or office that is inviting, updated and professional. Give your business site that much needed attention. From lobbies to office space, let us create a refreshing new look for your work environment. Holiday decorating is available as well.

Floral Assistance . . .

We have a professional floral designer on staff at A&W. Have something unique created to compliment your décor! This service is complimentary when purchasing floral items from our store.

Consultation Setup . . .

OPTION 1: An appointment is set up with one of our decorators for an *In-Store Consultation*. Clients come to our store with room dimensions, photos of room(s), swatches of existing furniture, carpet, tile, paint colors, etc. Consultation will involve a concentrated 1-2 hr session devoted to room layout plans, color schemes, furniture selections, accents, etc. This option is complimentary.

OPTION 2: An appointment is set up with one of our decorators for an *In-Home Consultation*. A decorator will then go to the client's home & gather info for a complete consultation as described in Option 1. The charges for this option are as follows:

\$250 Rate: Includes 1 Hr consultation for clients living in a 0-60 mile radius.

\$350 Rate: Includes 1 Hr consultation for clients living in a 60-120 mile radius.

\$450 Rate: Includes 1 Hr consultation for clients living in a 120-160 mile radius.

All but \$50 of the above rates may be used towards future purchases of \$2500+ at A&W if used within 6 months of consultation. Consultation is applicable for up to 2 rooms & includes up to a 2 hr appt. with your consultant at the store. An additional fee of \$50 per hour is charged if you request your consultant to return to place furniture and/or accessories. This placement fee is non-refundable and the fee is also charged for drive time.

The Next Step . . .

Your decision to work with a consultant is important. We encourage you to call our consultants and receive your consultation application to get the design process started! Or print off our design application online.
